

MOUNTAIN SENTINEL.

EBENSBURG, PA.

Thursday, July 5, 1849.

DEMOCRATIC COUNTY NOMINATIONS.

- FOR ASSEMBLY, **Dr. Wm. A. SMITH, Of Ebensburg.**
- FOR SHERIFF, **JOHN BRADLEY, Of Summerhill tp.**
- FOR CORONER, **P. S. MCLOSKEY, Of Washington tp.**
- FOR TREASURER, **JOHN G. GIVEN, Of Ebensburg.**
- FOR COMMISSIONER, **ANTHONY LAMBAUGH, Of Jackson, tp.**
- FOR AUDITOR, **WASH. DOUGLASS, Of Allegheny tp.**

THE SENTINEL, has much the largest circulation of any paper published in this county—and as an advertising sheet offers superior inducements to merchants and business men generally. Those desiring to make use of this medium for extending their business, can do so by either sending their notices direct, or through the following agents:

John Crouse, Esq., Johnstown.
E. W. Carr, Evans' Buildings, Third st. Philadelphia.
Wm. A. Kinsler, Pittsburg.
George Pratt, 151, Nassau st., New York.

Temperance Lecture.
 We have been requested to state that Jacob Carter, Esq., of Philadelphia, the distinguished champion of Temperance, will deliver a lecture in the Brick church in this place on Friday the 6th of July next. The advocates of Temperance throughout the county, and all others, are requested to attend.

We have been so much occupied by business before the Court this week, that we have been unable to pay that attention to our paper which we otherwise would have done.

The Hon. Job Mann will please except our thanks for a most valuable work on California.

Our Ticket.
 This being Court week, we have had an opportunity of conversing with a large number of democrats throughout the county, and we are happy to be able to say that we did not see a single individual who was dissatisfied with the nominations made by the late democratic County Convention. Indeed, since we became a resident of the county, we never saw a ticket nominated that gave more general satisfaction, or one that was more certain of receiving the united support of the whole party. As we have the numerical strength in our county, a concert of feeling and action on the part of the friends of democracy is all that is required to render us successful on all occasions.

Our Court.
 Quite a considerable number of people are in town, in attendance on Court, and the amount of business before his Honor Judge Taylor is unusually large. The number of Common wealth cases especially exceed any former term for several years. We may perhaps in our next give a brief statement of the most important cases and how they were disposed of, for the information of such of our friends as were not in attendance on Court.

Cholera in St. Louis.
 The Cholera is largely on the increase in the west, and its ravages among the inhabitants of the cities and towns along the rivers are terrible. St. Louis, especially, is afflicted awfully by this horrible malady, as will be seen by the following from the St. Louis Union of the 23d ult.

The city of St. Louis is at the present time more sickly than it has ever been in its previous history. Nor is there any reason to believe that the fearful epidemic is about to abate Thursday, as will be seen by our list of interments, eighty-five burials, from ten cemeteries of the city, are reported, from cholera alone; the other two cemeteries would swell the list doubtless, to over one hundred, if they had reported. The bills of mortality for this week, we fear, will exceed seven hundred; a most fearful number in a population of about 65,000 souls.

It may well be asked in this melancholy state of things, what can be done to stop the ravages of this fell destroyer? Alas! the wisest cannot answer our question, for of late, all precautions in many cases have proved unavailing. The wealthy, surrounded by all the comforts of life, have fallen as sudden victims to its pestilential breath as the poorest and humblest wretch that lacks all semblance of these comforts. The inscrutable will and wisdom of Providence alone can arrest it, and to Him it is best for all of us to bow with humble resignation.

The Central Railroad.
 We learn from our exchanges that this road will be opened as far as Millerstown by the 15th inst., and to Lewistown by the 1st of August next. We also understand that Messrs. Collier, Snodgrass & Co., intend placing a line of stage coaches between Hollidaysburg and Lewistown on the opening of the Road to the latter place, and also another line from Hollidaysburg to Pittsburg. As the line of coaches that are now running through this place appears to be very badly managed, we feel confident that this intelligence will be gratifying news to the people in this section of country besides it will give a little more life to the present dull condition of things.

Teo Hon Calvin Blythe died at his residence at Fairfield, Adams county, a few days since. He was 57 years of age.

Death of Col. Jack Hays.
 This celebrated Texan Ranger died of cholera a few days since in Texas. There was perhaps not a man in the American Army during the late war whom the Mexicans more dreaded than Col. Jack Hays.

The Whig Ticket.
 The Convention of the "great and universal whig party" which met in this place on Tuesday last succeeded in nominating the following ticket:

- Assembly—John Fenlon.
- Sheriff—Robert Gageby.
- Treasurer—Robert Davis.
- Commissioner—Peter Urban.
- Auditor—Jacob W. Slack.

These nominations did not appear to give very general satisfaction, as several angry discussions among the faithful, after the Convention adjourned, would seem to testify. We would advise them to keep cool, as they may rest assured that there are plenty others besides themselves who will vote against the whig ticket.

Pittsburg Convention.
 The Democratic State Convention to place in nomination a candidate for Canal Commissioner, assembled in Pittsburg yesterday. We did hope that we would have been enabled this morning to give our readers the name of the gentleman who has been selected as standard bearer of the glorious democratic party in the approaching contest, but we have been disappointed. No intelligence whatever was received at the time of our going to press. We feel confident, however, that the Convention will nominate a man around whom the whole party throughout will rally with enthusiasm.

FATHER MATHEW the great temperance lecturer, has at length arrived in New York. It is said that he contemplates visiting all the principal cities in the United States, and then returning to Ireland. Great preparations have been making for some time by the citizens of New York, to give him a proper reception.

Eulogies on Ex-President Polk.—Hon. George M. Dallas, has been selected by the democracy of the city and county of Philadelphia, to deliver an eulogium on the life and character of James K. Polk. Hon. James Buchanan, has been selected by the democracy of Lancaster, for the same purpose. Better selections, we think, could not have been made.

PITTSBURG CITY SERIC.—The brokers of Pittsburg were on Friday last buying the city scrip at 3 per cent discount. Allegheny Scrip is at, so nearly par.

It is reported that General F. Smith, Governor of California, and the troops under his command, were refugees on board American ships, lying at San Francisco, and that the soldiers were hunted down like wolves.

All Sorts of Paragraphs.
 By the English papers, we learn that another explosion took place in the mines near New castle on the Tyne, on the 5th inst., by which thirty-three persons lost their lives. There were over one hundred persons in the mines at the time.

Captain King, of the ship *Coromandel*, arrived at Quebec, reports having passed upwards of fifty icebergs, about 12 leagues southwest of Cape Race.

Lord Stanley has been shipping many of his poor tenants to the United States, paying their passage money himself.

The Kentucky Yeoman says that it is the intention of many members of the Whig party, after the pending election, to get petitions up all over the State requesting Messrs. Clay and Underwood to resign their seats in the Senate of the United States; if, as they believe, the vote of the people goes strongly against emancipation. The people of Kentucky will never be satisfied to be represented in the Senate of the United States by two southern men with northern principles.

Mr. Stetson of the Assor House, New York is about to go to St. Petersburg in Russia, and set up an elegant hotel in that city. It seems to us that a grand establishment there on the American plan would succeed hugely.

George Lippard, Esq., of Philadelphia, has been selected to deliver the Anniversary Oration, on the 15th of August, before the Norwich University, Vermont. It certainly will be an able address.

An exclusive privilege for ten years has been granted to Senor Don J. de la Granja, for an establishment of an electric telegraph throughout the Republic of Mexico.

They have erected at Quebec, where Gen. Wolfe fell 80 years ago, a column 40 feet high from a design by Sir James Alexander, surmounted by a bronzed helmet and sword.

The United States sloop of war *Vincennes*, built at the Brooklyn Navy Yard, nearly a quarter of a century ago, and which was hauled up and put in sea-going order, last winter, was launched, on Tuesday week, from the same po-

sition whence she first touched salt water so long ago.

Horace Greely, Esq., editor of the N. York Tribune was thrown from his carriage while riding with his wife and child on Friday last. All were hurt, but recovered.

The first literary magazine in America was by Franklin, published in 1741.

The Odd Fellows had a very large and brilliant parade in the town of Boonsboro, Md., on Saturday last. There were three bands of music in attendance, and the town was crowded with people.

Some of the Democratic papers in Missouri, Iowa, Illinois and Michigan, have hoisted Col. Benton's name for President in 1852.

The *Baltimore Republican* says that the State Reform Convention, which is to be composed of all friends of Conventional Reform, irrespective of party, will meet in that city on the 25th of July next.

The *New Orleans Picayune* of the 20th inst., announces the final closing of Saucy Crevasse, through the skill and unremitting exertions of Messrs. Dunbar and Surgi, the resident surveyors. The people are congratulated on this happy consummation.

An immense iron water wheel, sixty-six feet in diameter and six feet wide, has been completed at the Union Iron Works, Patterson, N. J., for a cotton factory in Mexico.

SAD ACCIDENT.—A despatch from Fough-keepie (N. Y.) states that an embankment of earth which had been allowed to project over the workmen to shield them from the sun, gave way on Friday morning, and buried a large number beneath it. Four had been taken out dead and men were digging away the earth to ascertain if more were buried.

A fire occurred at the Montour Iron Works, at Danville, on the 24th, which destroyed property to the amount of \$6000.

SECURITY OF LIFE IN CALIFORNIA.—A letter from California, received at Nantucket, says, "A man's life here is worth about fifty cents on the dollar."

The Pennsylvania says the coinage of gold dollars has been suspended at the mint solely on account of the demand for other hard money. One hundred thousand gold dollars are on hand at the mint.

The Hon. Thomas H. Benton, of Missouri, Hon. John H. Dix, of New York, and Nathaniel Hawthorne, of Massachusetts, were elected honorary members of the New Hampshire Historical Society, at its late annual meeting.

An extra session of the Legislature of the State of Illinois has been called by the Governor, in the month of October, at which a U. S. States Senator will be chosen. There are four democratic candidates, viz: Messrs. McClelland, Shields, Wentworth and Breese.

Fire in the Woods.
 A whole Village in Flames—Destruction of Saw Mills and Lumber—People flying to the Beach for Safety.
 Boston, June 26.

From St. John papers of yesterday, we learn that the fire raging in the woods in New Brunswick, had increased with fearful rapidity, threatening great destruction of property.

A letter dated St. Andrews, 19th inst., says that a whole village at New River had been destroyed, together with the extensive saw mills belonging to Messrs. Frye & Farnham, and large quantities of timber.

About one hundred persons had been compelled to fly to the beach for safety. The fire was bursting out on both sides. Several other saw mills were destroyed.

Robbinstown, where eight large vessels are being built, is threatened with destruction. The loss of property, grain and lumber is said to be very large. No one can tell when or where this fire will stop.

Marrying for Money.
 A prudent and well disposed member of the Society of Friends once gave the following friendly advice:

"John," said he "I hear thou art going to be married."

"Yes," replied John, "I am."

"Well," replied the man of drab, "I have only one little piece of advice to give thee, and that is, never marry a woman worth more than thou art. When I married my wife, I was worth just fifty cents, and she worth sixty two cents; and whenever any difference has occurred between us since, she has always thrown up the odd shilling."

DIED.
 On the 27th ult., at his residence in the vicinity of this place, after a lingering illness, **WILLIAM FARCE**, Esq., aged about 75 years.

The deceased was among the early settlers of this section of country, and was highly esteemed for his many virtues. He has filled several offices in the gift of the people and his loss is mourned by a large number of relatives and warm personal friends.

THE TWELVE MONTHS' VOLUNTEER OR A JOURNAL OF A PRIVATE.

The above is the title page of a large and handsomely printed octavo volume of 625 pages, just published. In May, 1846, the author, a lawyer, threw aside Chitty and Blackstone, and taking the sword and carbine, enlisted in the cavalry regiment then raising in his State (Tennessee). In the interim he kept a copious journal of every thing that fell under his notice worthy of record, relating to the life of a soldier, the country through which he travelled and the modes of life of its inhabitants. Also, giving a vivid description of the different engagements of our army while in Mexico, viz: Palo Alto, Resaca de la Palma, Monterey, Buena Vista, Bombardment of Vera Cruz, Cerro Gordo, Cherebueno and Chapultepec, with all the minor engagements, and a copious detail of personal adventures, anecdotes and incidents of camp life, and Mexican scenery and customs.

We feel confident that the work will find in the people of Cambria liberal purchasers, to reward the gallant soldier, who has enlarged upon the history of the Volunteers and of the Mexican War.
